Subject: HAMP Updates

All,

The Hopi Arsenic Mitigation Project (HAMP) group is looking to set up some meetings the week of September 8th to go over where we are at with the HAMP. We are looking at possibly two meetings that week one in First Mesa and one in Second Mesa areas. If this week is good for all of you we will start looking for locations to hold these events. Any questions please let me know thank you!

Lionel
